Council Conclusions on enlargement: Croatian Ecological and Fisheries Protection Zone

*2850th GENERAL AFFAIRS Council meeting
Brussels, 18 February 2008*

The Council adopted the following conclusions:

"The Council recalls its conclusions of December 2007, calling on Croatia to fully respect the agreement of 4 June 2004 and not to apply any aspect of the Ecological and Fisheries Protection Zone to the EU Member States until a common agreement in the EU spirit is found. The Council calls again on Croatia to live up to its commitments in this regard. The Council will return to this matter at a forthcoming meeting and invites the Commission to continue its dialogue with the Croatian authorities and report back to the Council. "
